Dear Sharron,

Well were finally seniors, Sharron, a day that we thought would never come. Remember when we were in seventh grade in Miss Maynard's room? Remember ninth grade in Band and especially Mr. Fredrickson? We have really had good times together throughout our high school days, and I'm sure going to miss them and you to share them with. Always remember the good times in Mr. Yanetovich's Crimson Tornado Band, such as the good ol' football games, parades, band parties, little trips, and especially the trip we waited for three years, Washington, D.C. Remember the hotel, sightseeing, and especially that day we went shopping and we lost each other. Boy, what fun we had.

Sharron, all I can say I know we'll never forget these wonderful days, and all the fun. I want to wish you happiness, fortune and everything else in life. Please don't forget me, and look me up once in a while. Best of luck always again Sharron and God Bless you. Love, Magdaline

It is indeed with the greatest of pleasure and esteem that we, the Senior Class of Nineteen Hundred and Sixty One, dedicate our AQUA CLARA to one who has gained our utmost friendship and admiration,

DOROTHY BOWES

CLEARWATER HIGH SCHOOL CLEARWATER, FLORIDA

As night falls upon the halls of C.H.S., we take time out from our busy schedules to evaluate all of the mad, frantic, wonderful, and inspiring events that have helped to make this year the best one ever!

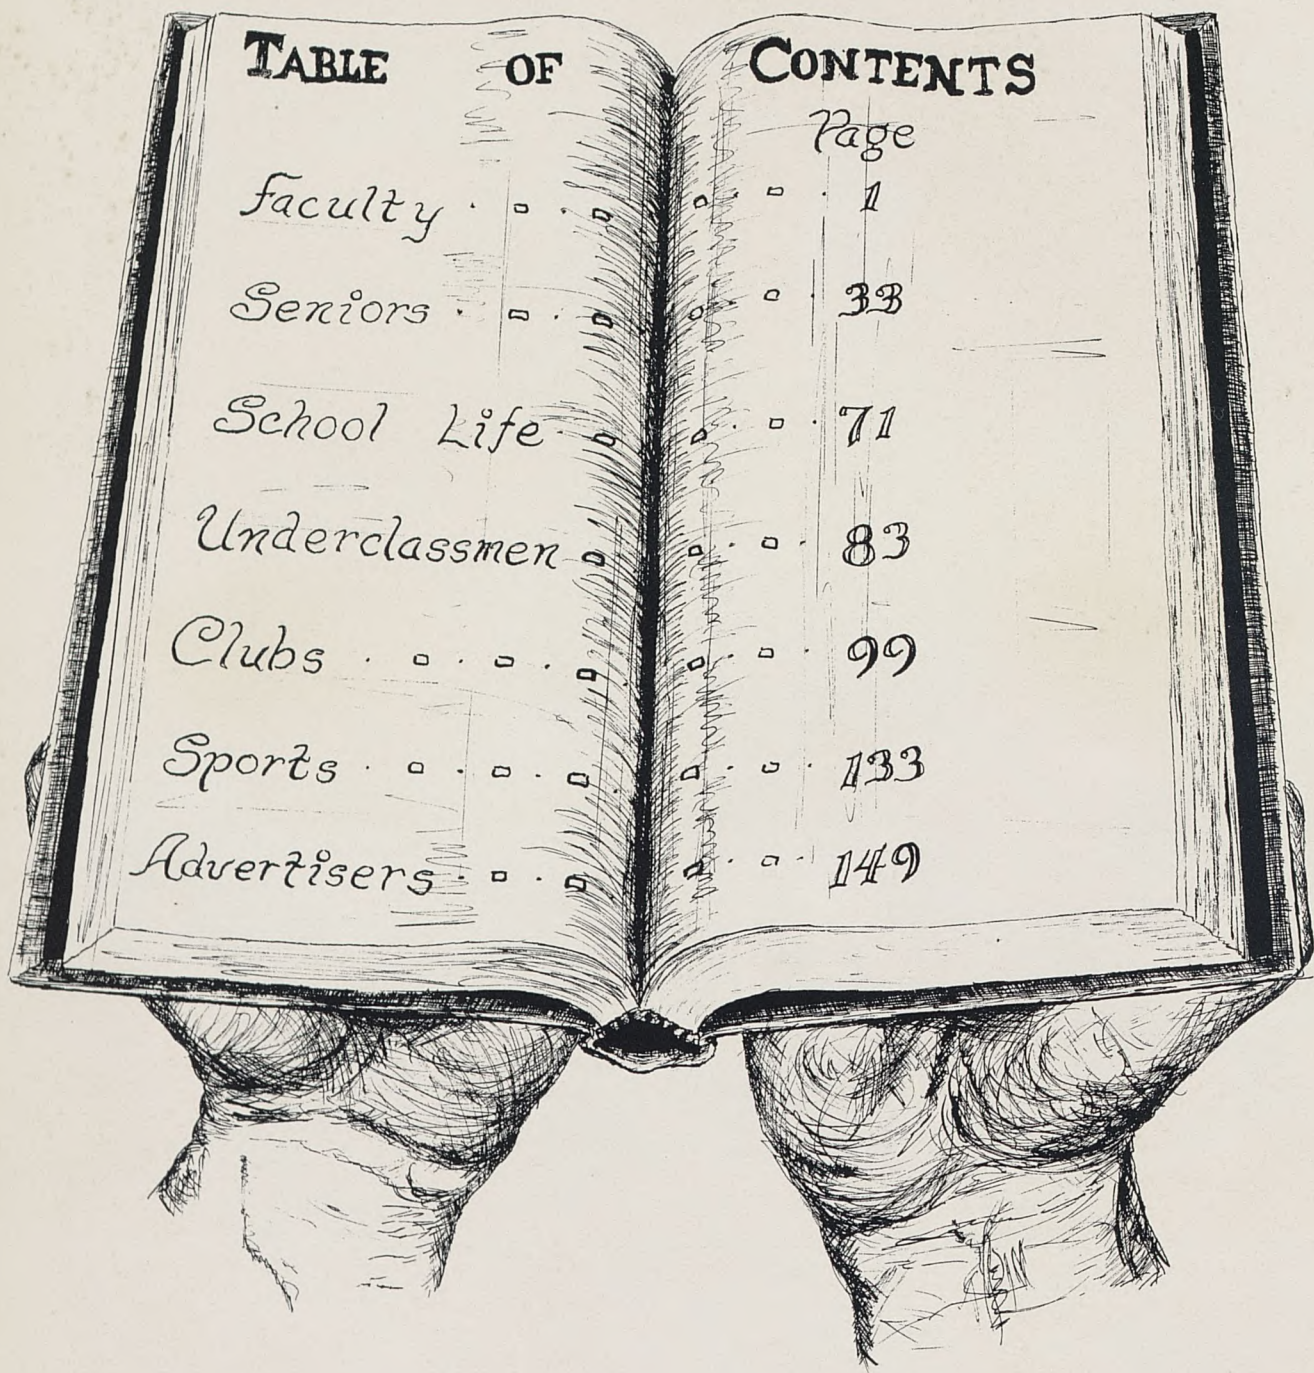

In this, the 1961 *Aqua Clara*, we will always be reminded of the hand of friendship that we have extended—not only to those near to us but also to those from far across the sea. In our own individual way, each one of us has contributed towards making our school what it is today.

In the future, if the obstacles that usually hamper the road to success can be dimmed for the briefest moments by the memories in this book, then it will have served its purpose.

For most of us, this is just one of three great years. But, for those of us who are fortunate enough to have earned the title SENIOR, this year has a deeper meaning; for this is our special year—the end and the beginning. And so, we leave in your hands—to care for and to love—our Alma Mater, Clearwater High School.

Nancy Collman, *Editor-in-chief*

Dear Students:

As you came this way, did you learn the Golden Keys of Opportunity? What is the secret of worthwhile achievement? There is no secret about it. It is the result of sincere and determined work, initiative, enthusiasm, courage, and similar attributes.

If you want knowledge, you must toil for it; if food, you must toil for it; if property, you must toil for it. TOIL IS THE LAW OF LIFE.

Work as faithfully as those who have been accorded successful in their various walks of life. History makes it evident that these notables among mankind owed far more to INDUSTRY for their success than to their respective genius.

If not before, now so dedicate your life to work for a great future in the ever-present frontiers which are before us. Capacity never lacks opportunity. It can not remain undiscovered because it is sought by so many eager to use it.

In your quest of worthwhile achievement, may you have the spirit manifested by President George Washington in this statement: "I hope I shall always possess firmness and virtue enough to maintain what I consider the most valuable of all titles, the character of an honest man."

DEPARTMENT

The scope of the English department includes writing, speaking, listening, and literary appreciation. This year an increased emphasis is being placed on the student's writing ability. Here at C.H.S. students are given opportunity to express themselves in writing through paragraph development, themes, critiques, precis, and the research paper. A highlight of this year's writing is the literary publication, a collection of the best creative writing at C.H.S.

The mechanics of writing are not overlooked, for

many hours are spent on punctuation, sentence structure, and correct usage. Also vocabulary study and spelling play an important role.

As important as the writing, speaking, and listening is the development of appreciation for good literature. A survey of both American and English literature offered, including the study of novels, short stories, essays, poetry, and drama. An outstanding feature of the year was the presentation by the Jestors of two Shakespearian plays, *King Lear* and *The Taming of the Shrew*.

DEPARTMENT

This is definitely a scientific age, for science has more and more influence on everyone's life. Because of increased demand for young people in the many fields of science, Clearwater High School offers a complete and comprehensive science program. The Science Department offers the following courses: Physics, both traditional and P.S.S.C., and the newly added Beginning Physics, a one semester course

planned to follow one-semester Chemistry II or Biology II; Chemistry I, a general survey of several fields of chemistry, such as inorganic, colloidal, and industrial; Chemistry II, an elective for those who have had Chemistry I and Algebra II. Like Chemistry I, it is a general survey of all fields of chemistry, but it places more emphasis on accepted theories and principles. One-semester Chemistry II is offered only during the first semester and is followed by either Beginning Physics or Biology II. Biology I is an attempt to satisfy the common curiosities and wonderings of young people about life in a changing world. TV Biology, as a part of project 7, uses television as a major resource in teaching large classes of students. The course is little different from the general Biology I course, and the objectives of the two courses are the same. Biology II is a one-semester course offered to juniors and seniors who have completed Biology I and Chemistry I.

Physiology is an elective for Seniors with grades of "B" or better in their past science courses. The course is a general survey of the structure and functions of the various systems of the human body.

DEPARTMENT

History—the teaching of America's heritage, past and present—is taught at Clearwater High School in order to help in the future students studying situations of the past; we hope to improve things in the future and learn how to live with one another. Among the courses offered are World History, American History, American Government, Psychology, and Economics. One sign of the modern age is the fact that there is both an American History and World History class using TV, to supplement the lessons taught by the teacher.

HOME ECONOMICS DEPARTMENT

The Homemaking program is constantly growing and includes four major parts: classroom instruction, Future Homemakers of America chapter, home projects and home visitation, and the rapidly expanding adult program.

The Future Homemakers chapter is growing in numbers, activities and Degrees of Achievement. One of the main purposes of this organization is to develop leadership abilities.

Contrary to the old belief, classroom instruction consists of much more than just cooking and sewing. The range of areas includes everything from these standbys to child care and Home Nursing. Equal stress is now being put on principles as well as skills in all areas.

INDUSTRIAL ARTS DEPARTMENT

Our Industrial Arts program includes General Woodworking, Arts and Crafts, and Mechanical Drawing. Woodworking students learn to design and construct products in wood. By use of academic activity in conjunction with laboratory work, projects are designed, their construction studied and the project produced. These tasks are accomplished by hand and machine processes.

The Arts and Crafts course aims primarily to develop basic undertakings and skills through working with ceramics, leather, cooper enameling, copper tooling, and other materials. It includes the development of an ability to use leisure time by filling it with self-satisfying work.

Mechanical Drawing has been called the "Language of Industry" and engineers, architects, and designers use it to record their ideas. Mechanical Drawing teaches visual and constructive imagination and the habit of exact thinking.

LANGUAGE DEPARTMENT

MILDRED TURNER

MARJORIE KANN

McKendree College, So. Ill. U., A.B., Latin II, III, IV, Inter Nos.

This year we had a long sought addition to the language department. French, another of the romance languages, is being offered for the first time and has met with great success—in fact, a second year course is inevitable.

The French Club, although in its embryonic stage, is formulating big plans for the coming year, with a trip to New Orleans as one of its possible ventures. So "nous verrons," as they say in France.

Spanish has always been a very popular language in our school, because of our proximity to our Latin-American neighbors. A large number of students are presently enrolled in this department, which offers a continuous program of four years.

Many of the students increase their knowledge of this exciting language through the activities of Los Gauchos, the Spanish Club. Here members have the opportunity to use the language through conducting meetings in Spanish, taking part in skits, and listening to native speakers. Their annual banquet is usually given at a Spanish restaurant and this year many members attended, as a group, the performance of José Greco in Tampa.

Many students with an interest in the classics take Latin from which the Romance Languages are derived. Four years of Latin are offered at C.H.S.

The Latin Club, Inter Nos, is open to Latin students who have a high grade average and who want to learn more about the history and customs of the ancient Romans.

MUSIC DEPARTMENT

Everyone knows what a wonderful job Mr. Yanetovich does with the band and orchestra. He is in charge of the Crimson Tornado Band and the Clearwater High Concert Orchestra, Tornado Cadet Band, Harmony and composition.

LIBRARY AND READING

Anytime during the school day diligent students may be found using the library facilities. Whether it is reference materials or just an enjoyable book with which to relax, the student is sure to find what he wants. The Library is also the center of audio-visual materials used by teachers to enrich classroom experiences. We are fortunate to have a very complete college section, also.

The Reading classes, instructed by Mrs. Krug, are of two types—College Reading for the students who wish to broaden their interest in the world of books, and Remedial Reading for the purpose of helping students better understand what they read. Both are one semester courses.

Sharon - Wow, what a year! I guess you know enough about me to send me to the gas chamber - keep it all quiet. Through the strugglings with S. through you, I've grown up a little bit more - someday, I'll reach maturity. I wish you the best in everything you do - even F. Stay the nice, genial person you are, and I'll always love you. May God be with you always - Love, Richard

Dear Students,

We would like you to meet our new found friend—Danielle. Danielle, who is from Zurich, Switzerland, has been attending C.H.S for the past year. She is staying at the home of Charleen Belcher.

Since she has been here, she has learned many things about American customs which she records in her diary.

She has also attended many of our big formal dances which she has enjoyed very much.

Besides learning all about us, she has also taught us many new and exciting things (such as Swiss recipes).

We have all enjoyed knowing Danielle and are deeply grateful to the Student Council for making her stay possible.

In closing, we would like to extend a hand of friendship from the entire school to Danielle Geering, our foreign exchange student.

Sincerely,

THE ANNUAL STAFF

Spreading goodwill throughout the school and community, this year's Student Council has spent many hours of hard work on various worthwhile projects. Among these are Homecoming, all school elections, the Goodwill Clothing Drive, and the school Christmas Party. These would be impossible without the able leadership of Mrs. Harman.

STUDENT COUNCIL

Student Council's membership is comprised of the five elected officers plus an elections chairman, publicity chairman, the presidents of the Senior, Junior, and Sophomore classes, the president of the Inter Club Council, the president of the Senate, the editors of the *Aqua Clara* and the *Clearlight*, and a Junior and a Sophomore representative chosen from the Senate.

SENATE

Through his elected homeroom senator, each student at CHS has a method of expressing his opinion or viewpoint on just about any matter dealing with the student government of the school. The Senate meets twice a month to serve as a link between the Student Council and the student body. This is one of the busiest organizations in school as it sponsors the annual homecoming dance and the sale of individual school pictures. This year the Senate also took charge of the Christmas Cheer program, which was a tremendous success.

The third branch of the student government is the Inter-Club Council, comprised of the Vice Presidents of all the clubs of CHS. The main purpose of this group is the coordination of all club activities, but the organization is also responsible for the Homecoming Parade and the bonfire held after Tornado Tale. Much time and hard work went into making this year's activities a huge success.

Under the supervision of Mrs. McAleenan, this year's annual staff has been very busy trying to produce the type of yearbook that you will cherish for a long time to come. Recorded on these pages are all of the events you will want to remember forever. Our only hope is that you will receive as much pleasure from the finished product as we have had in presenting it to you.

Each month, the arrival of the *Clearlight* is anticipated by everyone. Much time and hard work go into each and every one of the eight editions published each year. Those students on the staff gain valuable experience in the mechanics of writing. They learn how to recreate all of the items of interest which occur throughout the school year, how to edit material, to sell ads, and to prepare layouts and articles for printing. The entire school owes much to the *Clearlight* staff for all of the enjoyment they have brought us, and still more to Miss Roberts for her efforts as the *Clearlight* advisor.

“C” CLUB

This year's "C" Club rose to a new level of prestige as it once again became active in promoting hard work, team spirit, and good sportsmanship. From the beginning of his sophomore year, membership in this club is the dream and goal of every boy in C.H.S. The Club's initiation week was enjoyed by everyone as the candidates for membership were made to do many crazy stunts.

DIVERSIFIED COOPERATIVE TRAINING

The major project for the year was the preparing of Thanksgiving and Christmas baskets to be distributed among needy families. Members attended the District Meeting at Riverview High School in Sarasota and delegates attended the State DCT Convention held in Ft. Lauderdale.

DISTRIBUTIVE EDUCATION

Winners at the First Annual DECA Leadership Conference in Florida, held in Orlando, March 3 and 4, 1961, were as follows: First place in Area of Distribution Manual "Floral Designing," was won by Carolyn Carter; second place in the extemporaneous speech contest was won by Georgia Beadle. Tom Sleepe was elected Vice President of Florida DE Clubs. The other CHS delegates attending the DE conference were Harry Haigley and Eddie Caton. Carter, Beadle, and Sleepe will attend the National DECA Leadership Conference in Chicago April 20, 1961.

The DE students are members of both state and national organizations of the Distributive Education Clubs of America. They will enter local, state, and national contests in DECA for essays on selling, merchandise manuals, and area of distribution manuals. Five DE students from CHS will attend the first Florida DECA Leadership Conference which will be held in Orlando in March. Coordinator for this class of thirty DE students is Mrs. Ruth Pope.

Membership in this very worthwhile organization is open to those who show interest in homemaking. The club meets twice a month, and it sponsors many community, as well as school, activities throughout the year. But the most popular event on the F.H.A. calendar is the annual Mother-Daughter Banquet held each spring. Under the leadership of its able officers and its sponsor, Mrs. Zephia Lewis, the club is one of the most active in CHS.

FUTURE NURSES

For any girl interested in pursuing nursing as a career, this is an ideal club. Under the guidance of Miss Hall, the advisor, the members of the club are given a peek into the future to see all that the fields of nursing entail. They are put to work in Morton Plant Hospital and in this way gain valuable experience in nursing and are also able to get an accurate glimpse of hospital life.

Row 1: Vivian Thornton, Lucy Hotsenpiller, Sandy Vogel. Row 2: Leslie Burkhardt, Harriet Hutchison, Jean Southern, Sandra Roth, Thelma Smith.

The Future Teachers Club is a very important club around C.H.S. because it helps those who are interested in the teaching profession to further develop their interest. Under the guidance of Mr. Bradley, the members of F.T.A. learn many important facts about teaching. Someday these same students may return to their old classrooms to be teaching instead of learning.

FUTURE TEACHERS

HI-Y

This year Hi-Y, one of the newest organizations at CHS, grew tremendously. It is basically a service club, but the bi-monthly meetings also had programs of discussions, forums, speakers, and recreation. Under the supervision of the Clearwater YMCA, the club sends representatives to the West Coast Regional Conference and to Tallahassee once a year, where they participate in youth and government activities.

INTER-CHURCH YOUTH COUNCIL

The Inter-Church Youth Council, comprised of elected representatives from each church, strives to create a better feeling of fellowship within the school by holding brief devotional services. These services are held twice a month before school and add much to the spiritual life at Clearwater High School.

INTER NOS

It is a popular saying among the Spanish students that Latin is a dead language. To disprove this is the existence of the very active Latni Club, Inter Nos. They are associated with the National Latin Club and only those students with high averages are asked to join. Under their advisor, Mrs. Kann, they participate in several school activities such as Tornado Tale, and they hold their annual Roman Banquet.

Key Club, one of the best known and most respected organizations around our school, has time and time again been recognized for the many services it performs. A Key Clubber, in addition to maintaining a high scholastic average, must show leadership qualities and a desire to do service for the school. The boys will long be remembered for their part in the train trip to the Dade City football game.

A.V. ASSISTANTS

The never-ending duty of helping keep the library in order is the job of the dedicated library assistants. They sacrifice one period a day in order to serve us by checking books in and out, assisting the librarians with the processing of new books, and doing anything else which makes our library even better.

Visual aids are becoming increasingly important in the schools of this modern age, and so is the role played by our A.V. assistants. Under the watchful eye of their advisor, Mrs. Knight, they roam from room to room in order to operate the film projectors for us. We are indeed grateful for the service they perform.

To promote interest in Spanish is one of the main reasons for the existence of the Los Gauchos Club. It is open to any student with a "B" average in Spanish provided that they also show an expressed desire to learn more about the language and the customs of Spanish speaking peoples.

The club this year participated in Tornado Tales and the Homecoming parade. Under the capable assistance of Mrs. Turner, the meetings are conducted entirely in Spanish.

Under the able direction of Mr. Butler, the Mixed Chorus is an active segment of our excellent music department. The very talented group performs for service organizations and for the school during the Christmas and Easter assemblies.

Besides the various concerts which the Mixed Chorus gives each year, it also participates in the all-county music festival.

MADRIGALS

The Madrigals, singers specially chosen for their talent and ability, perform at luncheons and dinners for many of our civic organizations. They present, in the appropriate style, the music of the 15th and 16th century.

MAΘ

The honorary math club of Clearwater High School, Mu Alpha Theta, this year sponsored the second annual Math Institute in January. In addition to this very worthwhile and educational project, the club also took part in Tornado Tale and sponsored a dance. The membership of the club is made up of outstanding math students from the Junior and Senior classes, under the supervision of Mrs. Johnson, the faculty advisor.

NATIONAL HONOR SOCIETY

One of the highest honors that a student at CHS can receive is to be tapped during a National Honor Society assembly. NHS encourages students to excel in the four ideals of the organization — character, scholarship, leadership and service — and recognizes those who do. They serve their school in many ways including acquainting each new student with CHS, sponsoring College Day, holding an annual alumni tea, and participating in Homecoming.

The Usherettes, under the leadership of Miss Howell, do much to keep school spirit high at C.H.S. by their constant work and faithful service. They can be seen in their red uniforms at football and basketball games ushering spectators to their seats. The goal post decorations are also some of their handiwork. The Usherettes sponsor a football dance each year and also serve at other school functions.

Ya'll yell!—this familiar sound can be heard from any of the peppy cheerleaders during our games and pep rallies. The most faithful of followers, they trailed the team to all the football and basketball games. Their bright smiles and lively personalities helped to inspire our team and to encourage good sportsmanship.

This year our basketball team did a fine job in representing C.H.S. Through the combined efforts of each member, we had a team of which we could be proud. Almost all of the games were extremely close and the boys showed stamina and sportsmanship when the going was rough. The students backed them in every game and cheered them to victory.

 before me and so I have to
 take refuge on this page. It's
 been a lot of fun knowing you
 this year and listening to you
 complain about English lit.
 I think you have very nice
 friends and I wish you
 all the luck in the
 world.
 Love,
 Jim Elliot

The future stars of the Varsity team once again had a splendid season and next year's team will be sparked by their enthusiasm. They had practiced diligently and their efforts were rewarded. We hope to see them all on the gym floor next year fighting for many victories for C.H.S.

JUNIOR VARSITY BASKETBALL

Row 1: James Yale, Dan Williamson, Dick Danford, Randy Cameron, Ralph Young. Row 2: Coach Grindstaff, Jim Andriella, Bruce Cochran, Steve Teague, Paul Repp, Ronnie Townsend, Don Davis, Manager Jim Elliot.

Row 1: Don Cook, Dan Freeman, Wayne Logan, Frank Octavec, Mike Dulligan, Terry Harstook, Joe Smith, Steve Perrone, Manager Lindgren. Row 2: Coach Mason, Joe Sanders, Cart Smith, Barry Smith, Bob Black, Tom Bacon, Dick Rogero, Bob Brewster, Eddie Brown, Coach Reddick.

Crack!—Another homerun hit by the sluggers of C.H.S. This year's baseball team is truly a credit to the school, as they go into each game, eager to win but never forgetting their good sportsmanship. Their games are always exciting and are greatly enjoyed by those who attend them.

Row 1: William Holvey, Jim Demet, Jimmy Gifford, Jim Page, Red Durham, Steve Shannon, George Donatello, Frank McMurray, F. Hazelwood. Row 2: Bill Osborne, T. Flaherty, Ranny Treece, Mike Steeves, Robert Deeth, R. McClung, Claude McMullen, Tink Deyo, Fenn Magurno, Kenny Hazelton, John Wallace, Mal Thomas, Larry Hord, Art Christianson, Dean Moxley, Hal Green.

TRACK

Bang — they're off! Each man striving to do his best and to bring home honor for C.H.S. These boys are a credit to our school as they endeavor to bring forth sportsmanship and achievement at each track meet.

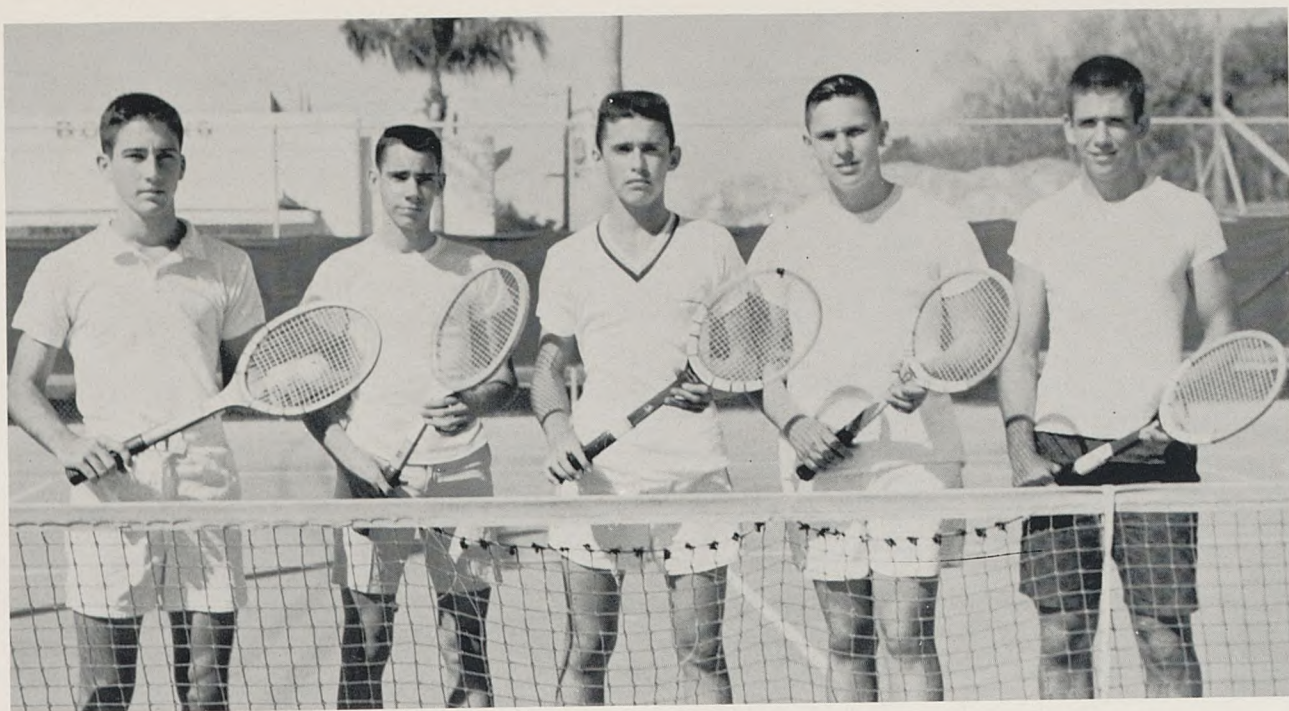

With a bag of golf clubs slung over their shoulders the golf team trudges from green to green and practices accurate putting and driving. Their tireless efforts prepared them for their matches in the conference. All the boys on the team are very outstanding in all aspects of the game.

GOLF

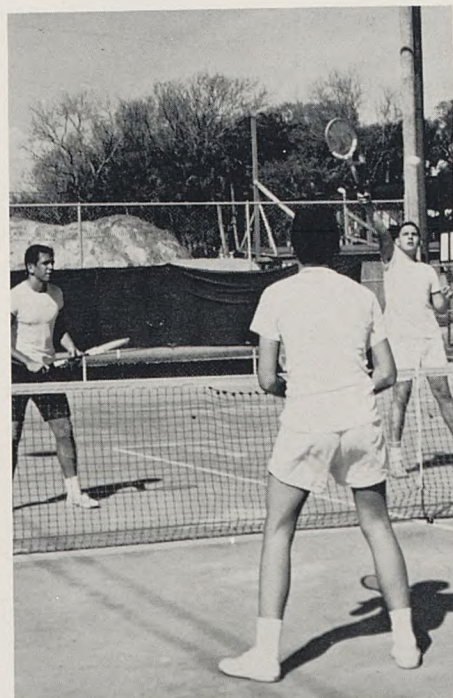

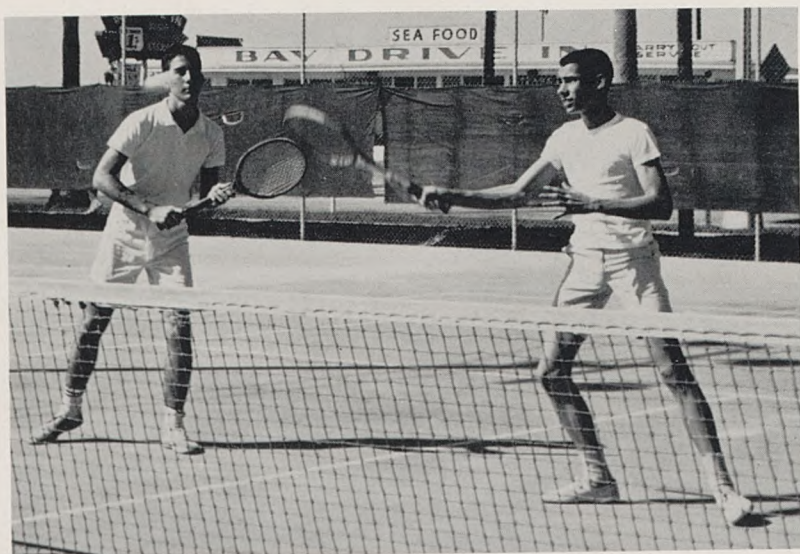

Row 1: Ronnie Crown, Bob Blair, Gordon McMeeking. Row 2: Mike Walsh, Tom Jaye.

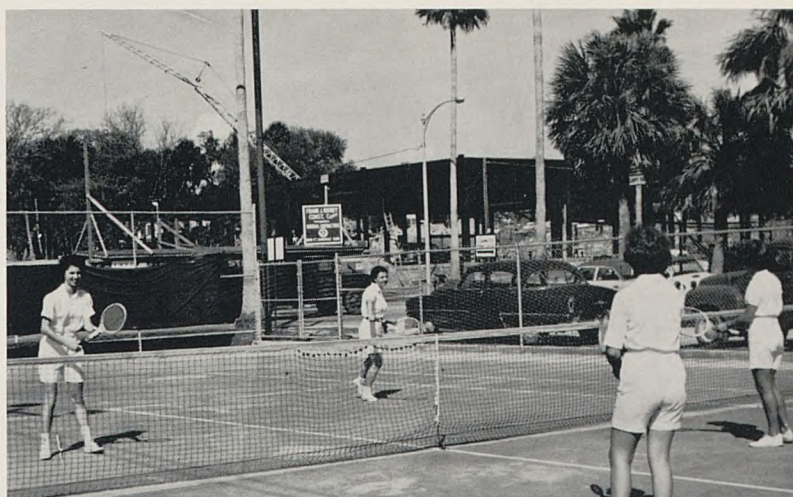

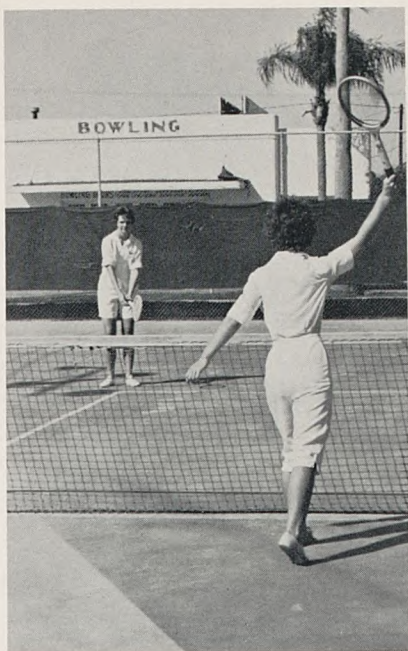

Row 1: Neal Storrs, John Ward, Pete Conlin, Richard Houk, Paul Brown.

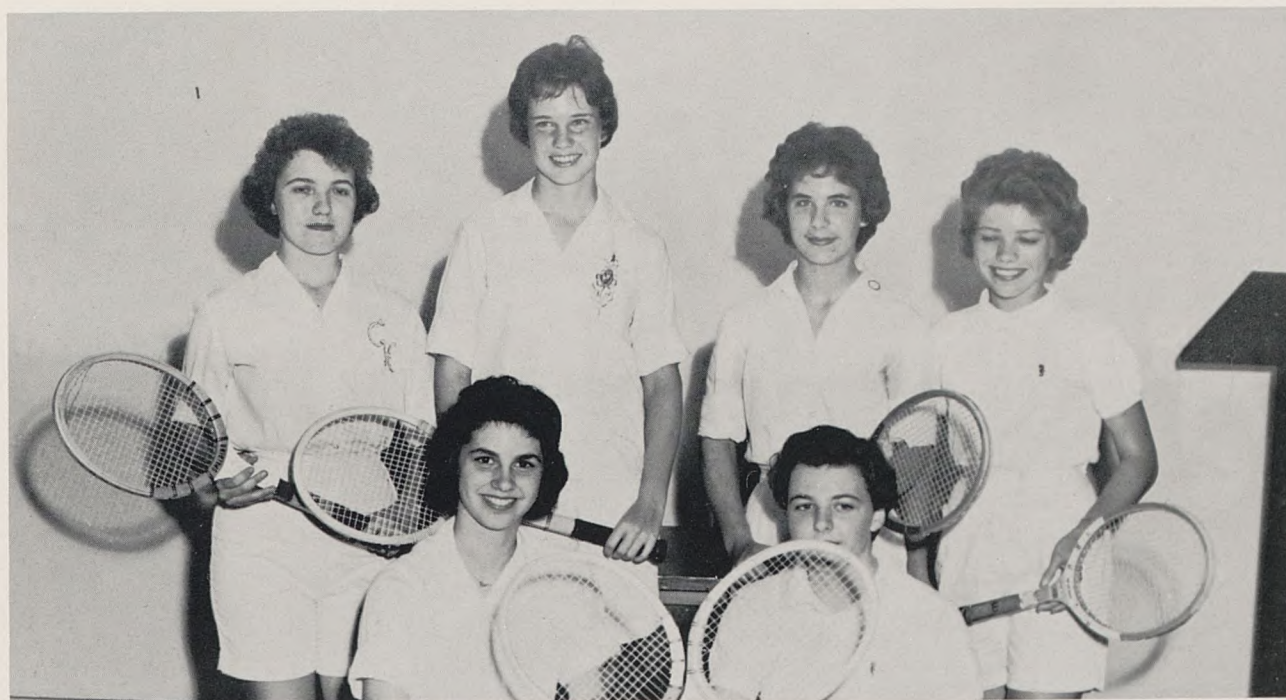

Game, set and match!—and another of C.H.S.'s opponents falls before the tennis team's accurate and fast shooting. Under the leadership of Coach Lowery, our team has become a formidable power in the Western Conference.

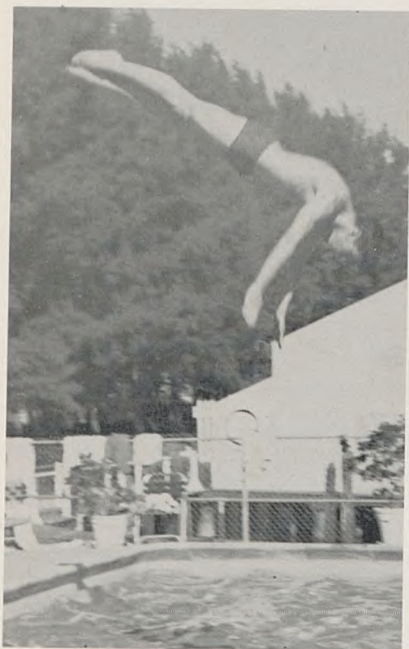

Whether with a forehand, a backhand, or a serve, the Tennis Team is always there to bring honors to C.H.S. Under the leadership of Miss Franks, the girls practice long hours so that they are ready for each match.

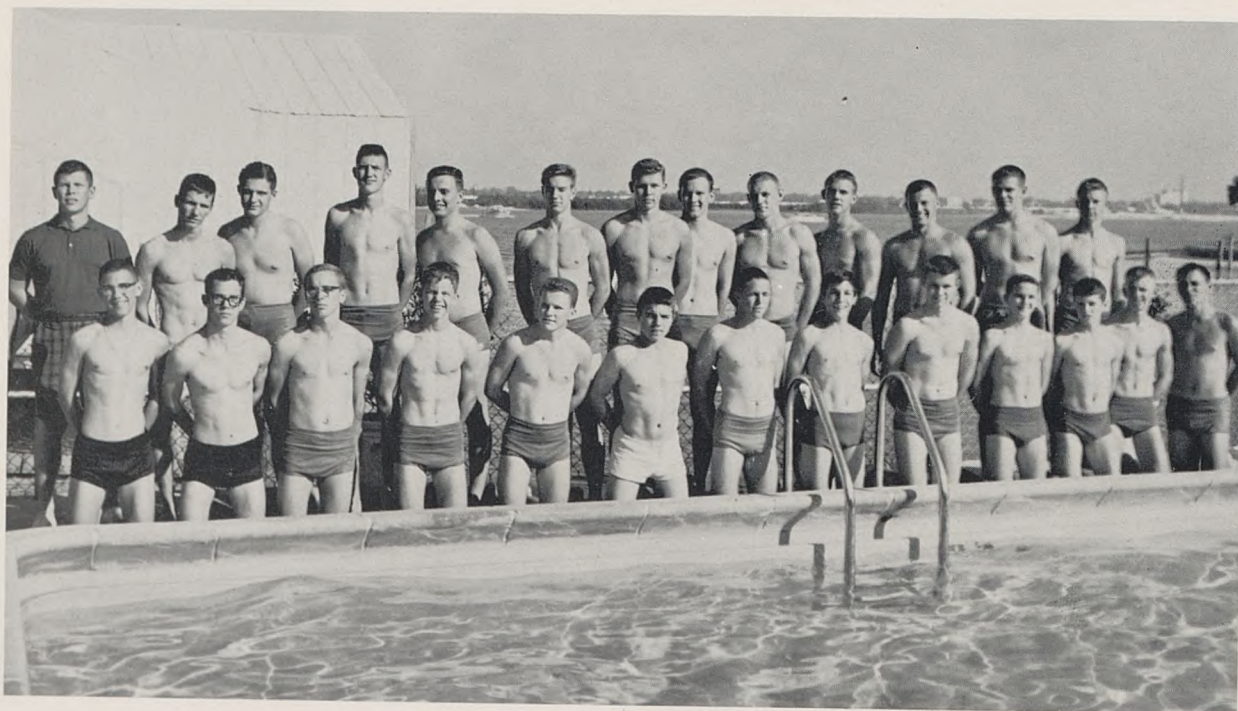

Row 1: Nancy Collman, captain, Mary Lou Murphy, co-captain. Row 2: Charlotte Harrill, Shirley Bowes, Sherry Birchall, Harriet Hutchinson.

Once again after school the water at the Pier Pavilion is churned by the boys on the swimming team. They are practicing for their coming meets with the other conference teams. Their eager enthusiasm never is disturbed by any dampened spirits.

Splash! Into the water dive the girls, cleaving the air with mighty strokes to win the meet. These girls work hard and put in hours of practice in order to compete for C.H.S. With such fine work we can expect many victories from our swimming team.

The end of the year is finally at hand
No more English, algebra, physics or beach.
As the hour draws near I would like to tell you
The things I need tell you; not all, but a few.
To me you were everything; bright and gay,
And just your mere presence brought the gift of day.
Love you I did, and love you I do.
Don't think it was fake, by God it was true.
I thought you gone from my arms, you're still in my heart,
For, from the memory of your love, I never will part.
It really hurts to have lost you this way,
But you are happy, least that's what you say.
Looking back now, it's a fine thing you've done,
And I pray it's in love, not just for fun.
If you ever feel bad, and need one to talk to,
Just remember me, cause I'll listen to you.
I hold in my heart an image so fair
Of the Sharon I love, not now, but for 'ere.

Sharon Dahling,

Well, these meaty years are nearly over. I think I'm facing it with mixed emotions, aren't you?

I'll never forget all those wonderful times we had in junior high. I guess we had our share of fights, too. I'll never forget one fight we had! I don't think you spoke to me for a month! Oh well! It's all over now, thank goodness.

We sure had a wonderful time in Washington, didn't we? I can still see that hotel room under 3 feet of junk! I don't see how we ever got sacked again!

It's really been great having you for a teacher this year. I really think the flags were good, no matter how much I screamed + ranted + raved!!

I wish you the very, very best of luck next year when you go to J.C. + I hope you'll write to me when I'm freedin' my tail off up in North Carolina!

Good luck to you and Tony, + don't you dare forget to invite me to the wedding! (if you have one)

Well, I've run out of space, so
